

ASSIGNMENT – DAY-15(b)

Task 1 : open the guru99 demo website.

Store title of the webpage to a variable named page title.

Verify that the stored value matches the expected title(“Welcome:Mercury Tours”).

Output – test case run successful and verify the title.

Task 2: Navigate to the “REGISTER” page. Echo the current URL. Verified that the echoed URL corresponds to the “REGISTER” page.

Output : Test case run successfully and verify the URL.

Project: SeleniumAssignment 2Day 15*

https://demo.guru99.com/selenium/newtours/

Command	Target	Value
✓ execute script	return window.location.href;	currentURL
✓ echo	`\${currentURL}`	
✓ verify	currentURL	https://demo.guru99.com/selenium/newtours/register.php
✓ close		

Command

Target

Value

Description

Log Reference

6. verify on currentURL with value https://demo.guru99.com/selenium/newtours/register.php OK

7. close OK

"Test_2" completed successfully

Activate Windows
Go to Settings to activate Windows.

11:12:12
11:12:13
11:12:19

Task 3 : Visit the “Flights” page. Verify the presense of the “One Way” radio button using the assertElementPresent command. Store the inner text of the “SIGN-ON” link into a variable. Verify that the stored text matches the expected link label.

Tests +

Search tests...

https://demo.guru99.com/selenium/newtours/

Command	Target	Value
✓ open	https://demo.guru99.com/selenium/newtours/	
✓ set window size	1050x708	
✓ click	linkText=Flights	
✓ click	css=font:nth-child(1) > input:nth-child(2)	
✗ store text	xpath=//a[text()='SIGN-ON']	inner Text

Command

Description

Log Reference

5. Trying to find xpath=//a[text()='SIGN-ON']... Failed.
Playback aborted

"Test_3" was aborted

Activate Windows
Go to Settings to activate Windows.

09:53:28
09:54:10

Task 4 : Go to the “Cruises” page. Verify that the “Cruise Line” dropdown contains specific options(e.g, “Carnval”, ”Royal Caribbean”).

Output : It will give an error.

The screenshot displays the Selenium IDE interface. On the left, a list of tests includes 'Test_1*', 'Test_2*', 'Test_3*', and 'Test_4*'. The main area shows a table of commands for 'Test_4*':

	Command	Target	Value
2	✓ set window size	1050x708	
3	✓ click	linkText=Cruises	
4	✓ click	linkText=Cruises	
5	✗ verify element present	name=cruiseLine	Carnival
6	✗ close		

Below the table, the 'close' command is configured with empty fields for Target, Value, and Description. The bottom 'Log' tab shows the following error:

```
6. close Failed:  
Playback aborted  
*Test_4* was aborted
```

System messages on the right indicate 'Activate Windows' and the time '10:01:39'.
